Go-Terra

Go-Terra is dedicated to driving market efficiency of the Terra Blockchain.

Goal

Go-Terra believes that Terra is the future. We are dedicated to advancing the blockchain.
Our staff are incentivized to discover, and develop efficiencies within the program. With the ultimate goal of providing near perfect market efficiency to the consumer.

To advance this goal Go-Terra will develop appropriate social media outlets as its involvement in the community grows.

Validator

The validator is cloud based, and dedicated staff ensure regular updates.
